

CALTECH ASM

Caltech's student chapter of the American Society for Microbiology

Speaker series

- Invite an external speaker in fall, winter, and spring terms
- Keynote speaker in winter invited from anywhere in the world
- Topics of interest decided by survey of club members
- Speakers meet with students and faculty
- Short journal club focused on work by the invited speaker

Journal club

- Meet monthly during fall, winter, and spring terms
- Discuss one or more papers released in the last month or two
- Once per term, discuss paper suggested by the invited speaker
- Any topic within microbiology is welcome!
- Snacks and drinks provided

Microbe mixers

- Socialize with fellow microbe enthusiasts
- Chat about research and more
- Snacks and drinks provided
- Fourth Friday of each month

Get involved

- Lots of available leadership positions!
- We need people for outreach programs!
- Sign up for our mailing list to hear about events!
